

Morton Youth Baseball Association (MYBA) Sponsorship Opportunities- 2025

Dear Community Supporter,

Since 1974, the Morton Youth Baseball Association (MYBA) has been committed to providing a high-quality baseball experience for youth in Morton and the surrounding areas. Serving more than 600 children annually, MYBA brings families and the community together, with over 10,000 visitors attending our games and tournaments each season.

As a non-profit 501(c)(3) organization, MYBA relies on generous sponsorships from local businesses and individuals. Your support directly funds essential elements that make our program successful, including:

- **Protective equipment**
- **Player uniforms**
- **Facility improvements** (lighting, scoreboards, sidewalks, safety nets)
- **Field maintenance**
- **Umpire fees**
- **And much more...**

If you've partnered with us in the past, thank you! Your contributions make a tremendous difference, and we would love to continue this partnership. For those considering sponsorship for the first time, we invite you to join us in supporting one of Central Illinois' finest youth baseball programs.

Enclosed, you'll find a summary of our sponsorship options. These packages offer fantastic marketing and advertising opportunities for businesses, all while giving back to our youth.

Thank you for considering this chance to support MYBA!

Warm regards,

Brett Bergman fundraisingmyba@gmail.com (Mobile)314-303-9012
