

## Danville Youth Hockey Association Sponsorship Form

Danville Youth Hockey Association, from Vermilion County IL., is a program formed by young players who have joined our organization with a common purpose: to foster the growth and development of these young athletes through the sport of hockey. We aim to provide a positive environment where players can learn valuable life skills such as teamwork, discipline, and perseverance. By emphasizing sportsmanship and fair play, we strive to instill a love for the game and a commitment to personal growth both on and off the ice. Through dedicated coaching, skill development, and competitive opportunities, we aim to empower our youth hockey team members to reach their full potential and become well-rounded individuals. Our organization needs dedicated sponsors to help finance operating costs, ice time, equipment, etc. This year we have also added a scholarship program for those athletes that may not otherwise be able to afford the full cost of participating in youth hockey.
