Survey Feedback

● Player Development and Growth

- All teams saw huge growth in both skill and team development – many callouts for the coaches and program
- Requests for skill-specific improvements (e.g., shooting, passing, skating)
- More regular individualized feedback
- Goalie development opportunities
- Interest in additional summer camps and more communication about off-season development opportunities

● Team Composition

- Overall high scores for coaches and managers
- Some feedback about the team selection process and requests for more transparency
- One team per age group can create large skill gaps
- Coaches were praised for playing kids equally (rec program!), but some concerns that playing time should align to practice time

● General Program Feedback

- 9.2 out of 10 for recommending SSYHA – well done
- More integration and scrimmages with other local teams
- Suggestion for clearer volunteer expectations and requested documentation to hand out to parents (e.g., clock, penalty box)
- Better early-season communication about travel and expenses.
- Desire for more program swag for kids to wear

● Organizational Leadership and Coaching

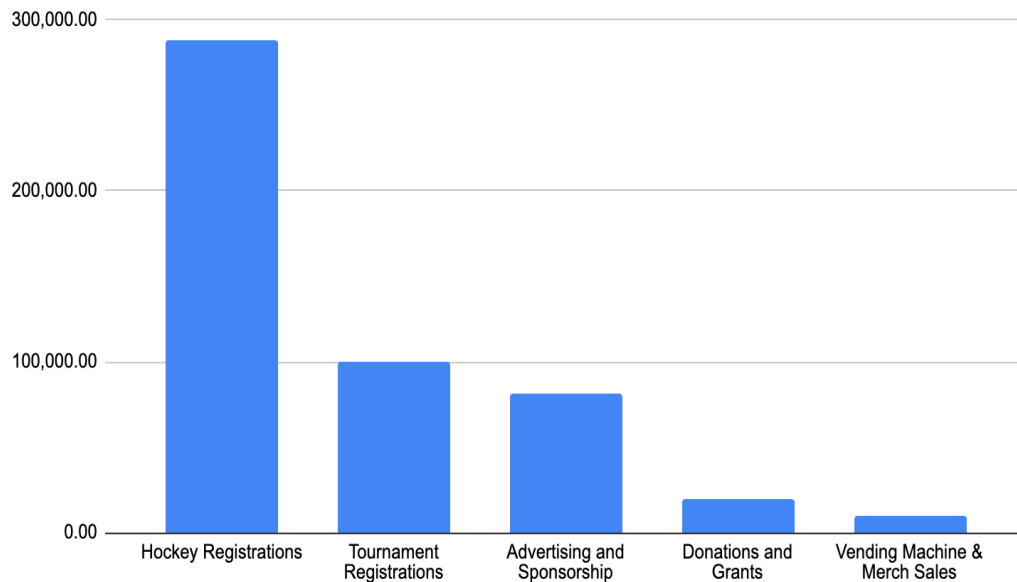

- Overall high praise for the director and his staff
- Head coach has direct impact on bonding, morale and overall team cohesiveness
- Coaches need to work on consistent expectations between players

Season Reconciliation & Financials

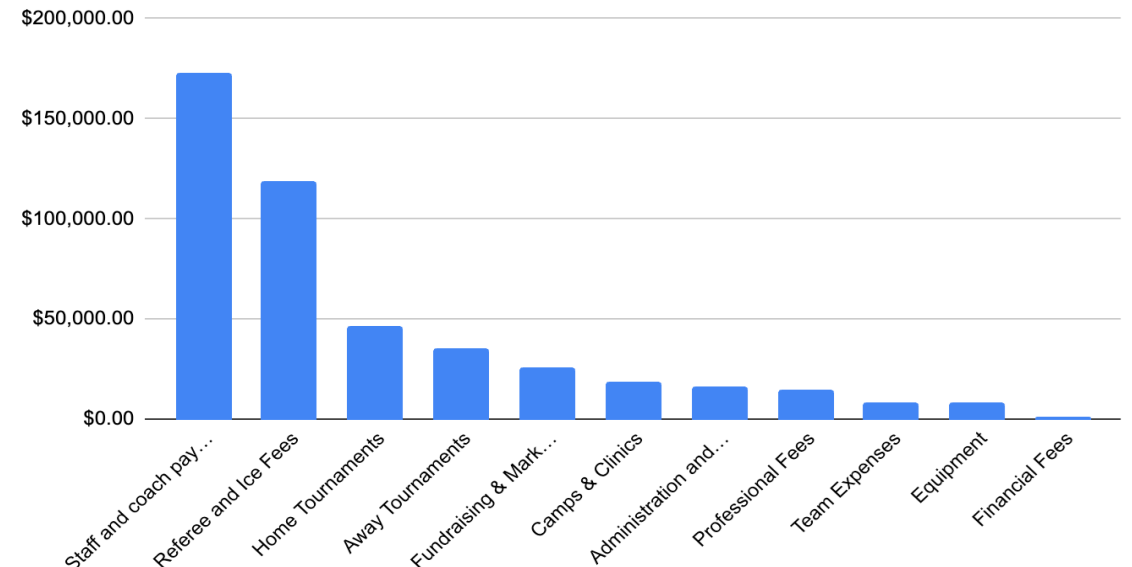

- Completed financial audit with Chris Catterson
- Granted almost \$15k in financial aid
- Engaged Paul Hoffman as our new CPA
