ICE BARN CLOCK INSTRUCTIONS
MITES GAMES

(POWER OFF if you need to start fresh with the following instructions)

POWER ON (upper left)
HOCKEY **Up/Down arrows** (lower right) until the display reads **Startup Menu New Game.**
Then press the green **ENTER** button.
With the display showing **Select Network JR HOCKEY** press green **ENTER** button.

To set the clock
Press **SET CLOCK** and use **Down arrow** until the display reads **Enter Game Time** and press green **ENTER** button.
Enter the desired time (e.g. 15:00 for a Mites game, 05:00 for warmups, 01:00 in between periods), starting with a leading 0 if time being entered is less than 10 minutes.

USE CLOCK START/ STOP to run the clock. The clock should remain a running clock unless stopped for injury or by the ref.
Use the **PERIOD** key to toggle the period.
Be certain to sound the HORN every 90 seconds during Mites games for line changes.

90 second cheat interval sheet:
13:30
12:00
10:30
9:00
7:30
6:00
4:30
3:00
1:30

<u>For Mites games, never enter goals, shots, or penalties.</u>
