1/14/26 BOD Meeting Jimmy's Director Notes

Ice Cubs - 15 Registered (*for 2nd half*)

8U - 31 Registered 2 doubling up with Ice Cubs and 8U; another moved up from Ice Cubs to 8U for session #2

-Steamboat

-Avalanche vs Capitals intermission, ford fan tunnel, FUN

-Vail Jam

-Pond Hockey (*for 8U only*)

-Aspen Jamboree (Aspen and Vail Jam are included as part of the fees for Session #2)

10U - sounds like there is a consistent problem for skill differential with Glenwood and other clubs year to year; this year it is evident we are a rec level team in the B division; I'd like to try to get a couple of recreational games for them; I would approach it differently, knowing what I know now

Due to the 10UB's and newness to hockey discussed trying to offer options/opportunities for kids in the summer.

Trying to get information out to list these opportunities.

Playoffs and Presidents day Garfield Cup - registered for Centennial

Will try to build a signup sheet and payment in Crossbar so that we keep the parent pay events separate from the others.

12U - MLK, President's day, WCHL Playoffs, registered for States (***hopefully States due to MHR Rankings***) or Centennial

Zam Sponsorship - \$3500 initial ask from City - What does the board think? \$3000 for blades per year... Cristi said \$3000 is ok but if we think that's too much we can counter.

We have someone willing to help replace glass at a large cost that would benefit everyone that uses the rink. We are trying to figure a way to help support the rink and have a win win for the Grizzly's. Jimmy will talk to them to see how to get the best win win situation for both the City and the program.

Cristi wants a written contract for everyone to be able to see to have things in order.

Scoreboard - city asks for \$500

City running Mites?

Idea thrown out that the City would run the Mites program; interest was from Nick who works for the city. Board was concerned about the fact we've finally turned this around. There is so much to do and with multiple players within families, etc it would be even more of a logistical nightmare than it is.

If Nick has a plan to discuss he is welcome to come speak to us.

14U - Don and Jay leads.

We are hoping to have a 14U team next year that would be likely be a "B" team.

19U Girls - Jesse and Josh leads

Hoping we could get 11 girls for a team next year.

Old Ice Schedule - Planning ice for next season

Glass Project for Rink

BSN Team Store... are there ways to make \$ with Merch? 30 Years of Grizzly Hockey - Swag

Evie talked with BSN and we can get a 5% back credit; the average is 10%, we can change the percentage we get back at any time.

Rink Grizzly Alumni Pictures - can a volunteer be in charge of Alumni pictures - alumni relationships?

Skills and drills ice for March?

Summer Skills Skates in Aspen?

2nd Try Hockey for Free March 7 ***Really try to push this and the Girls Event in March below on the 14/15. Jimmy would like to do this to try it to see the interest level. We will push this as a "bring a friend."***

Girls Event March 14 or 15

Extending Practices into March for 10U and 12U

How does the board want me to continue throughout the summer?

Will discuss next week and determine how many teams do we need to make this a sustainable job in the future. We would like to get Jimmy to FT if we can.

Grizzly Street Hockey League

Ramping up for Next Season:

- 4) Budget/Financials 20 minutes
