2026 Farm Tough Roller CLUB – Pricing & Commitment FAQ

What is the total cost for Farm Tough Roller CLUB?

The total cost for the 2026 Farm Tough Roller CLUB is **\$974**.

- **Club Dues:** \$649
- **Team Fee:** \$325

This covers the organization, coaching, practices, and season-long structure of the program.

What is included in the \$974 fee?

The \$974 covers:

- Program organization and administration
- Practice planning and on-site coaching
- Big Rink and Farm training sessions
- Season-long coaching and leadership
- Team management and communication
- Coach presence and preparation for all tournaments, including NARCh Finals

Additional fees that could apply:

- Roller Hockey Alliance (RHA) insurance, like USA Hockey for ice. \$35
- Farm Tough Roller CLUB uniform (Pants and 2 jerseys) - approx \$179

Are tournament entry fees included?

No. **Tournament entry fees are not included** in the \$974 and are the responsibility of each family.

Are travel expenses included?

No. **All travel-related expenses** are not included, including:

- Hotel
- Airfare
- Meals
- Transportation

We will book team hotel and provide options for families.

How many tournaments does the team play?

The 2026 Roller CLUB season includes **five major tournaments**, including **NARCh Finals** in California.

Roller hockey is a **tournament-driven sport**, and our schedule is intentionally built around competition.

Is this a full-season commitment?

Yes. Farm Tough Roller CLUB is designed as a **season-long commitment**.

Roller works best when the group stays together — practices, tournaments, wins, losses, and growth. Families considering the program should be prepared to commit to the full season and all scheduled tournaments.

What if my child also plays spring ice hockey?

We understand that many players also play spring ice hockey. The Roller CLUB calendar is intentionally built with:

- Built-in off weeks
- Strategic practice timing
- A balance between competition and recovery

That said, this program is best suited for families who can **manage both commitments responsibly** and prioritize communication.

Are practices mandatory?

Practices are **strongly encouraged**, not mandatory.

Practices are designed to:

- Prepare players for tournament competition
- Build chemistry and confidence
- Reinforce habits and decision-making

The more consistently players attend, the better the team and individual development.

Is Farm Tough Roller CLUB right for every player?

Farm Tough Roller CLUB is best for players who:

- Love to compete
- Want to improve their skills and hockey sense
- Are willing to commit to the group
- Value development, confidence, and fun

This is not a drop-in or pick-and-choose program. We intentionally keep teams **smaller and tighter** to create the best experience possible.

How do I express interest or get more information?

Families interested in playing — or learning more — should **register online**.

- **Registration is FREE**
- No obligation
- Helps us plan teams and communication
- Allows us to follow up with full details

Why roller hockey at Farm Tough?

Roller hockey gives players:

- A mental break from the ice
- More puck touches
- Better decision making in game play
- Increased creativity and confidence

Most players return to the ice **sharper, more confident, and more excited to play**.

At Farm Tough, roller hockey isn't an add-on — it's part of building complete players.
