TOURNAMENTS

We are attending 3 regional and one National tournament this season. A google survey will be sent out for you to share your availability. We highly recommend you attend the TORHS regional tournament in Pittsburg, PA, as this is our regional qualifier. Tournament fees vary per event and per team, as each tournament vendor has their own pricing structure. Player Tournament Fees are assessed prior to each event when the final rosters are completed. Farm Tough Roller Club pays this fee to the tournament vendor.

Regional Tournaments range from \$80-\$125 per player, per team (3 to 5 Game guarantee). The TORHS National Tournament player fee will range from \$160-\$195 per player, per team. The national tournament game guarantee has increased from 4 to 5 games. For this event we collect a non-refundable deposit towards the total fee due. The final amount will be determined by the number of players on the final roster.

Nationals Player Fee: U6 & U8 TBD, U10-U18 \$175/player, please circle payment type.

Double Roster Option:

Your player may have the opportunity to play on a second team in an additional division in the same event. We refer to this as being Double Rostered. Your in-season Team Fee includes coaching your player for one division per event. If you choose to accept a spot on a second team there will be a double roster fee (for coaching) of \$50. This fee is in addition to the Player Tournament Fee for that second roster spot.

I am interested in a double roster spot if offered (please circle) YES NO

The National Tournament in St Louis is a **STAY-TO-PLAY event**. This means you must stay at a tournament hotel during your block dates, regardless of having relatives or friends in the area to stay with. **There are NO exceptions to this rule.** We will set up team hotel links and you **MUST** use these links to book your hotels.

I agree to stay at the team hotel for the National Tournament (Sign Name) _____
