FARM TOUGH COLLEGE PROSPECT CAMP

JUNE 10-13, 2027

We have helped place nearly 60 kids into College Roller Hockey Programs

MISSION

Our goal with the **College Prospect Camp** is to expose High School players to College Roller Hockey. While there are many options and outlets for ice hockey players, we want to create a high performance atmosphere for roller hockey players. Players will have the opportunity to work directly with college coaches and the top instructors in our sport. In addition, players will be connected to the network of college coaches and programs throughout the NCRHA.We have helped place nearly 60 kids into collegiate programs!

LOOKING FOR COACHES

We field 4 teams with a max of 10 skaters per team. Each team is coached by a college coach. We can have a max of 8 coaches.
Past attending schools include: Lindenwood, GCU, ASU, Maryville, Arizona, Michigan State, Henry Ford, Farmingdale State, Kansas State, Boston University, ISU, Purdue University and University of Tampa.
In exchange for coaching Farm Tough will pay for your room and board at the college where the kids stay.
This will give you greater access to the student athletes! Contact Peter Dale if you are interested in coaching.
