PARTNER WITH THE WOLVERINES

The Wolverines Hockey Club brings together student-athletes from Chaparral, Legend, Ponderosa, and Lutheran high schools to compete as one team. We are a volunteer-driven 501(c)(3) nonprofit built on a single standard: develop stronger players and better people. Through teamwork, discipline, and sportsmanship, our athletes grow on and off the ice — forging lasting friendships and giving back to the community that supports them. Your partnership keeps that mission on the ice and makes the game possible for every player.

WHERE YOUR SUPPORT GOES

- Ice time, officials, and league fees that make every game possible
- Team uniforms, jerseys, and game supplies
- Safe, quality equipment for players who need it
- Team travel to tournaments and away games
- Need-based assistance so no athlete is turned away over cost

WHY SPONSOR US

- Four schools, one team — broad reach across the Douglas County community
- Your brand on our website, weekly team emails, and social media
- Live game-broadcast exposure to fans, families, and alumni
- Proud association with a positive youth-development mission
