JEFFERSON FALCON CHEERLEADERS 2025

Dear JTRCA Board, Advisors, Coaches, Cheerleaders & Families,

Congratulations on an amazing season! Thank you all for continuing to show up and work hard to make this the best season yet. Whether it was through the heat of summer practices or a rainy Saturday, you showed resilience – always bringing **that little spark to blow our minds.**

Hey Cheerleaders - While performing your sideline cheers and half time routine, you girls shined – your pep bringing smiles to all those fortunate enough to watch. Your hard work and determination showed as each performance was better than the last. Every cheerleader is important when stepping into your routine, whether you are the flyer, base, back spot, tumbler, etc. – thank you for your dedication to your team, **99 and a half just won't do, gotta have, gotta have all of you!**

Coaches – Thank you for your time dedicated to our cheerleaders on and off the field. The work you do behind the scenes to pick out the best music, create a cheer from scratch and build a routine that highlights the skills of your cheerleaders does not go unnoticed. You get to be the role model for a great group of girls and it is heartwarming to see you come back year after year. We know that you are the **b-e-s-t.**

8th Grade Assistant Coaches – You are **A-W-E-S-O-M-E, awesome, awesome, awesome are we!** Not only did you dedicate your time and put in the effort to make your 'Senior' year of JTRCA the best it could be, but you decided to step up and lead JTRCA's future as well. Thank you for being a cheerleader our younger girls can look up to and aspire to be.

Advisors – To our seasoned advisors, thank you for continuing to come back each year. To our new advisors, thank you for stepping into the unknown. Whether it was late dinners after practice, early Saturdays traveling to a game, or even just trying to figure out if it's going to be a cold 60 degrees or warm, **deep deep, down down, deep down in our hearts** we want to thank you for the sacrifices you've made to help us keep this program running!

Families – Thank you for being your cheerleaders' biggest cheerleader! **You've got the spirit, yeah yeah,** you've got the spirit and we wouldn't be able to have such a great program without your support!

Last, but certainly not least – a huge thank you to the JTRCA Board. Thank you for making this an excellent first year, allowing me to step into the role of President of the Jefferson Township Recreation Cheer Association with ease. Tiffany, Tonia, Helena, Carrie - the work you have put in, day in and day out, to make sure everything runs smoothly making this program the best it can be for our girls is unmatched. Quoting our sideline cheers throughout this letter started out as fun, but led me to the cheer **ACTION**, which best sums up the board for the actions they take all year long to keep JTRCA up and running, pushing us to new levels of greatness each year. Thank you for all that you do!

I want to wish our 8th graders the best of luck on their future endeavors, hoping to see you again as future coaches. To our Kindergarteners through 7th graders, I hope to see you all continue to grow as cheerleaders next year!
To close us out,

We are proud of you, say we are proud of you.

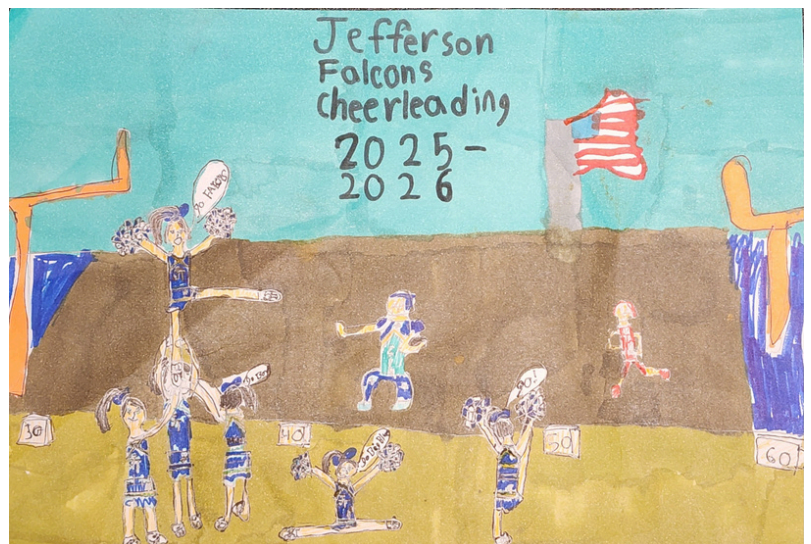

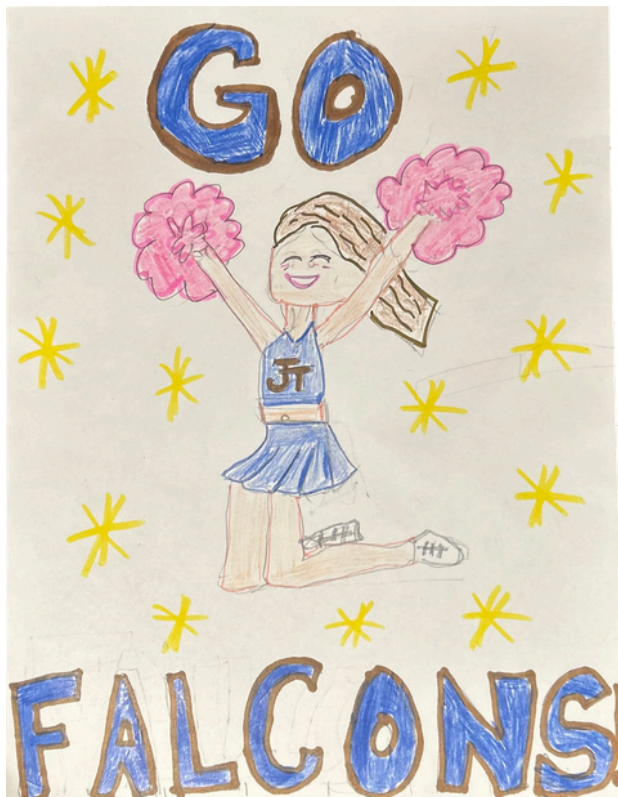

Thank you,
Alyssa N. Stefanic
JTRCA President
