JEFFERSON CHEERLEADERS 2024

Dear JTRCA Board, Advisors, Coaches, Cheerleaders, and Families,

“Cheerleading - It’s not about being the best, it’s about being better than you were yesterday.”

We had a great season! We are very fortunate to have so many cheerleaders this year committed to JTRCA. We had our highest enrollment ever! Cheer is a unique sport where attendance is imperative. Every child is of equal importance and without one girl it affects the whole team. Thank you to all the cheerleaders and parents that came out every week rain or shine.

To all the cheerleaders: Your smiles and wonderful attitudes are what makes this program a success. You performed your routines with so much enthusiasm week after week and they were an absolute joy to watch. Your dedication and practice show in your routines. I am so proud of every one of you. Hard work really does pay off! The routines contained a higher level of difficulty than previous years and you have shown that you are capable of greatness. You all did an AMAZING job!

To all the coaches: Thank you for all the time you devoted to creating some really awesome routines for our cheerleaders to perform at our halftime shows. This program could not work without your devotion and selflessness to the program and giving back to JTRCA. We hope you find coaching the younger cheerleaders a fulfilling part of your overall experience.

To the 8th Grade Junior Coaches, thank you for stepping up and helping out our coaches. You really made the season a success. We hope you will continue to be a positive role model for future cheerleaders.

To the Parents: Thank you for always making sure the girls get to practices and games as well as your continued support of our cheer program!

To the Advisors: Thank you for volunteering your time at practices and games! This program is the success because of your commitment to the girls!

I have been on the JTRCA board for the last nine years and President for the last seven. It is bittersweet to be stepping down. I had the great pleasure of being an advisor for my daughter all those years. Watching her grow from cheerleader into an assistant coach her 8th grade year to finally a coach herself has been unforgettable. I could not have gotten through these years without the help and support of some amazing women over those 9 years. I want to thank past board members: Melissa, Kathy, and Liesl for all the years they devoted to helping me and JTRCA. Thank you to our current board members Tonia, Alyssa, Helena, Tiffany, and Carrie. We as a board work year-round to make sure JTRCA cheerleaders have an enjoyable season. I appreciate and thank you for all the endless hours you have put aside in your lives for JTRCA. I have seen what this board is capable of and I am proud to be part of such a wonderful group of women. Thank you for all you do for JTRCA!!!

I hope everyone has an enjoyable Holiday season and a very happy New Year! **Go Falcons!**
