

Registering Your Skater: U10-U14

Note: When navigating registration, use back and continue buttons at bottom of the page within registration, rather than on your browser to avoid beginning again.

1. Log in to your personal Crossbar Account
2. Select “Programs” on top red option bar
3. Select appropriate age level for your skater
 - a. If you have questions on the age-appropriate level for your skater please visit the board of directors page to contact the age directors for assistance
4. Within the righthand red box, click “Register”
 - a. If there is not a register box, it is not yet activated

5. A new window will open with registration. Select existing skater or add new skater to register for the selected level.
6. USA Hockey: All skaters must register with USA Hockey. Click text in registration to go to USA Hockey site and return to enter a current USA Hockey number.
 - a. USA Hockey numbers can be added ahead of time to each skater under “Account” – “Participants”
7. Connected Accounts: Individuals connected to skater will display here. These individuals will receive all club and team communications. Use the invite feature to add additional users.
8. Volunteer: Select volunteer interest for each individual to receive more information on those opportunities.
9. Enter skater address. Submit.
10. Complete skater questions and acknowledge all consents including code of conducts, photography policy, concussion acknowledgement and communicable disease waiver.
11. Discount Code: If you have a fundraising credit from 2020-2021 you should have received an email with a discount code from the registrar. Enter your unique family discount code here to apply to registration.
 - a. If you believe you have a credit and did not receive a code email registrar@fyha.com

Concussion Acknowledgement*
Please review the Parents and Athletes Concussion Fact Sheet and Concussion Acknowledgment form (for each participant in your family). By checking the box below you acknowledge you have reviewed all information found in the CONCUSSION ACKNOWLEDGEMENT tab under parent resources.

I/We have downloaded, carefully read, and acknowledge all concussion information provided under parent resources

Discount Code
If the club has provided you a discount code for this player specifically, enter that code here. Updated pricing will be displayed on subsequent pages throughout registration.

12. Pricing will default to skater level based on birthdate. Choose payment in full or payment plan.
13. Select volunteer credit fulfillment or buyout. All families must complete 15 credits or buyout for \$25 a credit.
14. Complete payment and click “complete registration”.
