

Dear Potential Dorchester Youth Hockey Supporter,

We are a non-profit youth hockey organization whose mission is to provide youth, regardless of race, creed, or national origin with the opportunity to practice the ideals of sportsmanship and fair play. The program functions are: to familiarize youth with the fundamentals of ice skating and hockey; to provide opportunity to play the game of hockey in a supervised, organized, and safety oriented manner, and to keep the welfare of the participants free of any adult ambitions and personal glory.

Our program currently serves 250+ youth from Dorchester and some surrounding towns providing 4-5 hours per week of constructive ice time. As we as a world, nation and local community deal with a multitude of issues and challenges, providing the much needed programming to our kids is essential and gives us tremendous pride in doing so.

Being an inner-city program, we deal with many different families with varying financial situations. We strive to keep the cost of our program to a minimum as to not pose a financial burden to our families so their children can participate in the wonderful game of hockey.

For us to continue to keep our costs down while the world around us becomes more expensive, we are need of supporters like you to donate what they can so we can continue to provide a hockey experience for all those who want to play.

Included in this package you'll find the different sponsorship levels along with our plans to recognize you and your company.

At this time we ask for your generosity and support of our very worthwhile program. Your kind donation and sponsorship will be used to offset our expenses and help lower the cost to our families.

We want to thank you for your consideration and thank you for your support of Dorchester Youth Hockey

Respectfully,

DYH Golf Committee
