

Rachel Johnson

Position Nominated For: Girls Travel Director

Professional Experience:

For the past 4 years I have worked at the STMA High School as a Response Para. I thoroughly enjoy all the connections I have made with the students and staff, and I am proud of my ability to connect with all the students. My position requires me to juggle multiple tasks with a positive and professional attitude. In addition, I have participated as part of the coaching staff for the past 3 seasons with the STMA High School Volleyball team. Prior to working at the high school, I was a stay-at-home Mom raising my 4 children. During my time at home, I perfected the art of staying organized, managing multiple tasks daily.

Volunteer Experience:

My most recent volunteer role has been serving on the STMA HS Volleyball Booster Board. I have been an active member for the past year and a half. I have also volunteered my time in both head/assist coaching positions in various sports over the years. I truly enjoy the opportunities this has provided to give back to our community.

Why are you the best candidate?

My outstanding organizational skills, ability to work under pressure and proven ability to multi-task efficiently, make me a great candidate for this role.

I am excited to be part of a board that is passionate about the success of our STMA/Riverhawks players both on and off the ice. I will be committed to finding the best possible tournaments for each and every Riverhawks team. I want to find tournaments that will allow our teams to be competitive on the ice and continue to improve our player development. I am committed to working hard for the association. I have 3 hockey players in our programs and have been an active member of the hockey world for the past 6 years. During this time, I have built relationships with many people over multiple associations all over the state and feel that my connections will also be helpful in this role. I am confident that I have the right skill set to help the association make the most informed decisions on tournament schedules for the year. I look forward to serving the STMA YHA as the Girls Travel Coordinator.

I enjoy spending time with my family, watching my kids play sports, traveling all over North America to watch my kids play sports, working out, coaching volleyball and being outside are some of my favorite things to do!!
