Call to Order	Heather Ace			
Secretary Report	Kelsey Brown			Doug Motion to accept Sarah – 2 nd
Treasurer Report	AnnMarie Oakland	Treasurer Report Wreath credits	Ice fees – summer only right now at about \$12K Wreath credits – one family is disputing the amount they received as they calculated a different number based on past documentation that has the breakdown by specific kind of wreath. The information that SYHA receives from the vendor is a lump sum for each family with the amount of processing fee paid during the online payment. The formula for the 2025-26 and 2024-2025 season sales was to remove the processing fee and then the skater family receives 70% towards the next season's fees and the club receives the remaining 30%. Decision was to keep with the current process as it is consistent process for the past two seasons.	Kelsey motion to accept Sarah 2 nd

Discussion	Heather Ace	Summer gear rental fee Communications chair LTS credit during season HDC Checking camp Concessions concerns from Liz Training camp to start the season	Summer gear rental fee - \$25 for off season Communications chair – Vote between two families LTS credit when moving up to U6 Mitch interested in being Hockey Development Coordinator for the 2026-2027 season again. Checking camp – heather working to schedule time. Currently have openings October 18-22 or the first half of November. Has asked for what the ice time length needs would be and lesson plan and also if they would be able to do a week night rather than a weekend. SQ up through Girls/Boys HS teams. Training camp idea for first week of the season, need to make sure that the ice usage is cost effective. Might be possible to lump 2 age groups together	Vote for Comms chair – 7 for Dewitts to chair position for this season LTS to U6 – either pro-rate U6 fees or credit \$75 which ever is less. Any move ups that occur after Jan 01 will only practice, and not play in games. Sarah motion to approve Mitch for HDC for the 2026-2027 season. Kelsey 2nd
Discussion	Doug Ihlenfeldt	Move up requests Team sizes	Ice times – have locked in the 5:45 and 7:00pm slots. Starting to work on developing practice schedule for the season. Move ups. Currently have 1 U6-U8 request and 4 U8-SQ requests. Requesting families were told that they have to practice with the older age group and go through tryouts for requested team. Coaches would also be able to weigh in on if the skater would be able to keep up with the requested age group skaters. To be placed on the A team (SQ) the skater would have to be ranked in the top 5 skaters of all of the try outs, otherwise would be placed on the B team. If the go through tryouts, they would have to play on the team they were placed on and not go back to the younger age group for this season. Team sizes – when have the borderline one or two teams, the club leans towards having two smaller teams to help with ice time and playing time concerns that have occurring in past seasons.	
Discussion	Angie Nicholson	Job duties of ALD and team manager	Typically ALDS - Start scheduling games prior to tryouts - Club level things like board representation throughout the season - Raffle baskets for the home tournaments - Registering for tournament(s) Team Managers - Schedule any remaining game gaps - Confirm games - Re-schedule any cancelled games - Make hotel blocks for tournaments, if needed.
