SILVER STICK SUCCESS, TEAM HIGHLIGHTS, PROGRAM GROWTH & WHAT'S AHEAD!

We're excited to celebrate our Colorado 14ers program and our outstanding success at the Western Regional Girls Silver Stick tournament.

This achievement reflects the hard work, teamwork, and dedication of our players, coaches, and families—on and off the ice.

As a program, we continue to grow, creating new opportunities for young athletes to develop their skills, build confidence, and be part of something bigger than themselves.

Thank you for being the heart of the 14ers community. The best is yet to come!

12U B TEAM SPOTLIGHT – MORE THAN JUST HOCKEY!

Our 12U B team is about so much more than the scoreboard.
This season, our girls have grown—on the ice and off.
They've pushed themselves, lifted each other up,
and shown what it means to be a team.
They've become players, but more importantly,
they've become friends.

None of this happens without the people behind the team.
A huge thank you to our team manager, **Renee Payne,**
for keeping us organized, supported, and ready to roll
every step of the way.

From early mornings to late nights, tournament weekends
to practice nights, this team shows up for each other.
We celebrate the first goals, the big saves,
the small victories, and each other.

> ***Somewhere between the early mornings, long days at the rink, cheering from the stands, ridiculous penalties (some absolutely deserved), and unforgettable moments on the ice, something pretty special happened. Our 12U B team came together like we've known each other for years.***

> ***That's what makes youth sports so special. It's not always about the wins, the losses, or even the hockey. It's about finding your people. It's about belonging to something bigger than yourself.***

> ***Our girls may have brought us together because of their love for hockey, but they're giving all of us something so much bigger.***

A BIG MILESTONE FOR COACH SAMMIE

This season is extra special as we celebrate Coach Sammie's first head-coaching opportunity with a 10U team. Her passion, positivity, and belief in every player make a difference every single day.

We're proud to have her leading the way and shaping the future of this next generation.

THANK YOU TO RENEE PAYNE, OUR 12U B PLAYERS, COACHES, AND FAMILIES.

Thank you for showing up, cheering loud, supporting each other, and reminding us what this is all about. Hockey brings us together — through friendships, life lessons, and memories that will last a lifetime.

WE ARE 14ERS. WE ARE FAMILY. WE ARE STRONGER TOGETHER.
