# De Pere Lacrosse: Expectations

## Student Athlete Expectations:

- You are a STUDENT-athlete. Your grades and your education are a priority, **treat them as such.**
- Our expectation is that you are making time for your homework and studies, and communicating with coaches when additional time is needed.

## Communication Expectations:

- If a player is going to miss a lift, practice, game, or team function, it is the PLAYERS responsibility to reach a coach directly.
- Failure to email, text, or call a coach directly would be considered an **unexcused absence.**

## Practice Expectations:

- Players are to be suited up and ready to go 5 minutes prior to practice starting.
- Bring the “controllable three” to EVERY practice: Effort, Attitude, Intensity

**A handbook with player expectations will be handed out at the player only pre-season meeting.**

# De Pere Lacrosse: Expectations

## JV Playing Time:

- We do NOT make cuts on De Pere Central Lacrosse.
- JV Players will ALL receive playing time during JV Games

## Varsity Playing Time:

Players are expected to maintain attendance, academic eligibility, and code of conduct eligibility.

After that, As a WIAA varsity program, our goals are twofold:

- Develop our players as young men and leaders
- Compete to win games and pursue a conference championship

While we wish every athlete could play equal minutes, **varsity playing time is earned, not guaranteed.** Decisions are based on what gives our team the best chance to compete and succeed.

# De Pere Lacrosse: Expectations

## Our Commitment

Our coaching staff is committed to:

- Clear communication
- Honest feedback
- Player development
- Doing what is best for the team

If a player is looking to discuss their playing time and role on the team, please follow these steps.

### Step 1: Player → Coach

The player should speak directly with a coach and ask:

- *Why am I not playing as much?*
- *What do I need to improve?*
- *What can I do to earn more playing time?*

### Step 2: Player & Parent → Coach

If the issue is not resolved after the initial conversation, the player and parent may reach out to the coach to schedule a meeting.

### Step 3: Parent → Coach

If additional discussion is needed, the parent and coach may meet separately.

**We encourage our athletes to advocate for themselves, take ownership of their growth, and trust the process!**

# De Pere Lacrosse: Boys and Girls Team

## Hazing

**Hazing is defined as any humiliating or dangerous activity expected of a student to belong to a group, regardless of their willingness to participate.**

Some practices associated with high school hazing carry the potential for serious bodily harm or even death. These practices may include: tattooing, piercing, head-shaving, branding, sleep deprivation, physical punishment (paddling and "red-bellying"), "kidnapping," consuming unreasonable/unacceptable foods or beverages, such as alcohol. Coerced sexual activity, in addition to being classified as sexual assault and/or rape, is another form of hazing.
