# Introduction

Dear Business Owners, Parents and Friends of De Pere Central Lacrosse Club,

De Pere Central Lacrosse is a federally recognized, 501(c)(3) non-profit, charitable organization serving the players of boys and girls within the De Pere and West De Pere Public School Districts.

We are excited to begin preparations for our upcoming 2026 season. Along with our volunteers, sponsors and donors are a crucial part of our team. We view the reduction of barriers to access the sport of lacrosse as our primary mission. Lacrosse requires a great deal of supporting equipment, uniforms, supplies, facility rentals for practices and games, bussing, referees, and logically it can incur significant costs. To help us provide this year-round program and to attain our goal for an incredible season with maximum participation from the community, we would like to offer you the opportunity to advertise your business by sponsoring De Pere Central Lacrosse Club.

Your generous sponsorship dollars provide an opportunity for all De Pere youth to learn the game of lacrosse, understand the value of teamwork, and establish memories that will last a lifetime. Sponsoring our Club is not only a great way to get involved with the community; it's also an amazing form of marketing for your business. Our boy's and girl's teams will routinely field 30-40 players across Varsity and Jr. Varsity, who typically play against twelve (12) or more opponents across Northeast Wisconsin, Hudson, Madison, Milwaukee, and upper Michigan during the regular season. That means your business will have branding in front of hundreds of people per event generating thousands of impressions within Northeast Wisconsin and surrounding areas. With that type of exposure, everyone will remember our generous sponsors.

## Become a Sponsor Today!

1. Simply elect your sponsorship level
