New Agenda Topics	Nikki S.	- Bantam Team 2026-2027 Season: Based on current release situation and historical numbers there are 9 total bantam level skaters to make a team at that level. No confirmation of a Goalie from Green Bay could be had. Adam W.'s work with Shawano on a possible CO-OP was rejected by the Shawano Association. DOH received confirmation from WAHA Andy Bradford that Green Bay and Shawano are the two closest associations to MMAYHA. If MMAYHA has no Bantam level team, the two closest associations cannot deny entrance to their associations for our players. Nikki S. confirmed with Depere that their association will not be accepting any out of district players due to current numbers. Discussion was had on the feasibility of retaining ice time for MMAYHA Bantam players to practice in Marinette, ongoing. - Adam W. made a motion to not move forward with a MMAYHA Bantam team due to numbers and not having a competitive team. Samantha W. seconded the motion. All in favor, none opposed, motion passed unanimously. - Adam W. will make contact and describe options for families and the rationale of how we got here over the next two days. An association-wide communication will be drafted and distributed.
