General Email Minutes:

1. Wednesday January 28th, 2026, Mike Patten resubmitted the “rebrand survey” for the board to view and vote on whether to send to the association or not.
2. Board members asked for some revisions to be made such for associations members to remain anomalous. To create a non-bias survey.
3. A motion was made by Ashley Steinke motioned to send the survey out to the association members. With revisions.
4. Mike Patten 2nd to send survey out. Motion did not pass due As I see it, as President, the motion failed for the three contingent votes with no amendment(s) being approved and only 4 people voted yes on the original motion.
5. Suggestion was made to table this for the February board meeting.
6. Rachelle Flater resubmitted a survey to the board with questions for a possible rebrand discussion to be more simplified, that conducts very simple non-bias questions, stating CHYA paramotors, current colors, current suggested colors by an association member, and any suggestions? And speciation’s that this would only be sent to current board members, 1 vote per house hold it would be sent to primary email on registration.
7. Ashley Steinke motioned to approve this survey going out.
8. Mike Patten 2nd the motion.
9. Motion did not pass due to lack of votes and out of the 24 hour by-law rule.
