

Casper Amateur Hockey Club (CAHC)

Letter of Intent

Revised June 2026

Player name: _____

For players in the 8U age division (8 years of age and younger)

There will be opportunities to participate in 6U and 8U travel tournaments throughout the season. By signing this acknowledgment, you understand and agree that participation in these travel tournaments is voluntary. If your player chooses to participate, you are responsible for your player's share of all associated tournament expenses, which may include, but are not limited to, tournament entry fees, coach expenses, ice costs, and other team-related costs. You acknowledge that your player's portion of these expenses will be calculated after each tournament once all final costs have been determined. The resulting balance will be charged to your family account and is due in accordance with Casper Oilers Youth Hockey Association payment policies.

For players in the 10U age division and older (9 years of age and older):

Our player _____ is **NOT** interested in participating on a traveling team for the 2026-2027 season.

Our player _____ is **agreeing** to try out for and participate, if eligible, following tryouts, on the following CAHC team(s) for the 2026-2027 season:

WAHL Teams

____ 10U - Full Ice
____ 12U
____ 14U
____ Girls 19U
____ High School/18U

Divisional Travel Tournament Teams

____ 10U
____ 12U
____ 14U
____ Girls 19U
____ High School/18U

We, the undersigned player and parents/legal guardians of said player, by executing this Letter of Intent, agree to the following terms and conditions.

Commitment

We agree to participate with the CAHC and skate on the Casper Oilers team(s) listed above for the entirety of the current season. Participation on any other non-CAHC hockey team during the current season may be allowed with prior approval and in accordance with CAHC Policy II.A.1 which can be found on the club website under club documents.

We assume all financial responsibility for the current season as listed below.

- We understand and accept that if the above-named player does not participate due to behavior issues, Code of Conduct violations, and/or Discipline Committee suspensions, or if a player sits out due to refusal to participate, we remain fully obligated to satisfy the agreed upon financial obligations for the current season.
- We understand and accept that our player will be expected to wear approved Casper Oilers assigned jerseys and socks, in addition to CAHC approved warm up attire to all team events, as listed in the CAHC Policy Manual Article II, subsection F.

- For age divisions 10U and older, we understand and accept that if registration numbers at an age group do not support forming more than one team at that age group, in the interest of maintaining team continuity and competitiveness, there will be no distinction between the WAHL team and Travel Tournament team – it shall be considered one team. Accordingly, we may not opt out of participation with the Travel Tournament team in lieu of playing on another non-CAHC team. We understand we will be fully obligated to satisfy all commitments and financial responsibilities of both teams.

Financial Responsibility

- We understand that we are responsible for our player's portion of his/her respective team's associated expenses (WAHL and/or Travel Tournament) charged to our family account. For age divisions 10U and older, we understand that the team fee charged (WAHL and/or Travel Tournament) was included as a flat fee to our player's account and that our players account will either be charged additional fees (if additional tournaments are chosen) or receive a credit at season end based on fundraising.
- We understand that expenses for teams with non-parent coaches will be higher as those coaches receive travel reimbursements, per CAHC policy.
- We understand all team fees charged will be paid by credit card, ACH, either in full or by the optional installment plan. We further understand that any additional fees assessed at the end of the season must be paid in full within 30 days of the date of assessment and that if there are any unpaid fees after that date, our player will be ineligible to register for the next season until the past due fees are paid. We also understand that there is a \$30 fee for declined credit card payments and a \$35 per month finance charge will be charged to our family account for all fees more than 90 days past due per CAHC policy and our player will be reported to WAHA as not in good standing until all past due fees are paid.
- Tournament specific
 - We understand that if our player's Travel Tournament team registers for any Regional qualifier tournament and that team qualifies to attend the subsequent qualifying invitational tournament, the team must make the commitment to attend the qualifying invitational tournament and that we are responsible for our player's portion of all additional team expenses associated with this opportunity.
 - Permission to play with another non-CAHC team may be granted on the basis that it does not substantially degrade the competitiveness of the CAHC team. We understand that each tournament has its own rules and that if our player has received permission from CAHC to play with another non-CAHC team, we are responsible to ensure that our player is not putting his/her respective CAHC team in a position of ineligibility (i.e. player plays in a tournament with both teams when there is a no double roster rule). We understand and commit to following the Casper First Policy.
- High School/Midget Division specific, if applicable for the current season
 - We understand that there is an option to roster teams in WAHL at the High School level as High School teams (Varsity and Junior Varsity) or as Midget teams (Midget A and Midget B) and that there are roster requirements for both.
 - We understand that the coaching staff will decide how the teams will be rostered based on player registration numbers and skill talent. If CAHC rosters teams at the High School level as Varsity and Junior Varsity, we understand that player movement between teams should be expected.
 - We understand that if the Casper Oilers Varsity team will roster as a High School team that the coaching staff will ensure all eligibility requirements are met for this team to attend High School Nationals if eligible following WAHL State Finals per current WAHL rules. We understand that if our player participates on this team, we are responsible for our player's portion of all additional team expenses associated with this opportunity.

If I sign this form electronically, I acknowledge that it shall have the same validity and effect as if I signed this consent by hand.
