

Dear Future Partner,

I hope this letter finds you well. I am reaching out to invite you to be part of a life-changing project for the children in our community. Our team is working to build a Challenger Field, a specially designed baseball/softball field that will allow children with disabilities to participate in the sport without limitations.

This field will provide a safe and supportive environment for children who might not otherwise have the chance to play the games that so many of us grew up loving. It's more than just a field—it's a place where children with disabilities can make friends, gain confidence, and experience the thrill of teamwork.

We need your help to make this dream a reality. We are seeking donations to cover the cost of constructing the field, purchasing adaptive equipment, and ensuring that the field is accessible to all. Your generous contribution, whether large or small, will have a lasting impact on the lives of these amazing children.

If you're interested in becoming a sponsor, we've included a sponsorship package that outlines various opportunities for you to contribute and receive recognition for your support.

Please feel free to contact us at 254-640-4300 or admin@centexlittleleague.com if you have any questions or would like to discuss sponsorship options further. Every contribution brings us one step closer to providing these children with the chance to experience the joy of baseball and softball.

Thank you for considering supporting this important project.
Together, we can make a difference!

Warm regards,

Chance Bacon

President, Centex Little League

SPONSORSHIP OPPORTUNITIES

The Challenger Field Project is dedicated to creating an inclusive space where children with disabilities can experience the joy of baseball and softball. Our goal is to build a fully accessible field that removes the barriers to play and promotes physical activity, team building, and community involvement for all children.

Why Support the Challenger Field Project?

Your sponsorship will directly impact the lives of children with disabilities, helping to create opportunities for them to participate in team sports and enjoy a sense of inclusion. Your contribution will help cover the cost of building a fully accessible field, equipment, and ongoing maintenance.
