

SafeSport for Hockey

Learn how to stay safe
and have fun on and off
the ice!

What is SafeSport?

- SafeSport helps keep hockey safe for everyone. It teaches us how to treat others kindly and what to do if something feels wrong.

Why SafeSport Matters

- Hockey should be fun, fair, and safe. SafeSport helps stop bullying, mean behavior, unsafe touching, and secrets that make you uncomfortable.
- 

Your Rights as a Hockey Player

- You have the right to be safe, be respected, say 'no' to anything that feels wrong, and tell a trusted adult if something bothers you.

Respect on and off the Ice

- Hockey is for everyone. No hate talk means no name-calling, teasing, or mean jokes. Be kind and fair to teammates, coaches, and opponents.
- 

A large red circle with a smaller blue circle at its bottom-left edge.

Speak
Up!

- 
- A series of five purple dashed curved lines forming a partial arc in the upper right area of the slide.
- If something feels wrong, tell a parent, coach, or SafeSport adult. You won't get in trouble for speaking up.

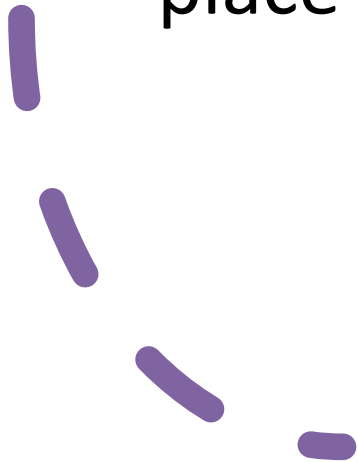

Locker Room

- No phones or cameras in locker rooms. Locker Room Monitors are SafeSport-trained adults who are required at all team events where locker rooms are used. Locker room monitors have to be present before you can get in the locker room.

What SafeSport Adults Must Do

- All coaches, managers and SafeSport trained adults are mandatory reporters. They must report whenever a child reports any abuse that is happening to them. Hockey is a safe place for kids to get help if they need it.
