By continuing, I agree to the above and that I am at least 18 years of age and the self/parent/legal guardian of the person being registered.

B) Financial Obligations

The Participants agree to pay the CSAHA's fees pursuant to the posted fee schedules. The Participants further agree that if the Player is placed on a roster the Participants will be liable for the entire season's fees even if the Player does not play for any reason including, but not limited to, having been suspended, terminated or voluntarily quitting or leaving CSAHA. If the fees are not received on time, the Participants agree that the Player will not participate in any practices, games or tournaments until the fees and late payments are paid or other payment arrangements are made. Participants understand and agree that CSAHA may remove the Player from play if he/she is delinquent on any payments. CSAHA reserves the right, at its sole discretion, to waive a Player's fees and charges if it finds that the Player quit playing because of a season ending injury or because the Player has moved out of the region served by CSAHA. While payment plans are available it is the member's responsibility to ensure a valid payment method is on file for their payment schedules. After ten days, a \$25.00 late fee will be assessed for any late payment. Participants agree to pay all costs to include reasonable attorney fees that CSAHA incur collecting any past due fees as well as an additional \$75.00 per month finance/collection charge which may be assessed until all fees and costs are paid in full. In addition to all other remedies allowed by law, CSAHA may assess a \$40.00 fee for any payment returned to CSAHA as unpaid.

C) General Behavior and Overall Agreement Acknowledgement

Participants acknowledge that CSAHA's programs are youth and family focused. Therefore, Participants agree to maintain high ethical and moral standards, reflecting positively on CSAHA. CSAHA reserves the right to terminate privileges if the Board of Directors (BoD) determines that any Participant has committed acts that fall below these standards, negatively impact CSAHA, mismanage association funds, or violate this Agreement. Examples include but are not limited to, criminal conduct, acts of moral turpitude, unauthorized liabilities, failure to follow BoD or Executive Director instructions, inappropriate treatment of members, or violations of CSAHA, CAHA, or USA Hockey's code of conduct.

If the BoD finds grounds for termination, it will notify the Participant verbally, followed by written notice detailing the conduct. The Participant will have an opportunity to be heard by the CSAHA Disciplinary Committee within 10 days of the written notice, with an appeal to the BoD at its next meeting. During this period, the Participant may be suspended from CSAHA activities at the discretion of the Executive Director, Disciplinary Committee or BoD. Participants may request a hearing before the BoD, which will decide whether to terminate the Agreement and privileges or impose other disciplinary actions. The BoD's decision is final and may include additional disciplinary measures beyond those imposed by other organizations or legal authorities. This notice and hearing process does not apply to breaches involving late payment of fees and costs.

By agreeing to the terms, each Participant acknowledges reading, understanding, and agrees to abide by this Agreement. Participants also commit to making the hockey season enjoyable for themselves, their families, the Tigers organization, and all involved in CSAHA events.

G) CSAHA Program Goals

Our organizational goal is to grow the membership of CSAHA through the retention of our players, and by attracting new players into our program. CSAHA wants the game of hockey to be accessible and affordable to anyone with the desire to play hockey. We are committed to develop all players to their maximum ability through applying the CSAHA designed age-appropriate training and by using the USA Hockey American Development Model (ADM) principles. CSAHA and the ADM promote the development of all players including the optimum development of the elite player through a scientific approach to age-appropriate development. We will strive to help each individual player reach his/her potential through our comprehensive on and off-ice training programs, and to provide each of our players with the opportunity to further their hockey careers beyond the scope of our program through proper development, exposure, and competition. We will develop our players and teams to compete for State, District, and National Championships using CSAHA, USA Hockey, and the USA Hockey ADM methods and principles.

I) PHOTO AND DIRECTORY RELEASES

The Participants acknowledge that CSAHA paper and digital contact directories and programs are valuable and important tools for keeping parents, players and coaches connected. Participants agree that the information they provide on their

registration to include player's name, parent's names, address(es), phone number(s), email address(es) and team assignment may be displayed or transmitted in paper or electronic form. Participants understand that such Directories are for the sole use of CSAHA members for direct CSAHA-related functions and are not to be used for any other non-CSAHA related purpose. Any other use such as solicitation is strictly prohibited and its improper use constitutes a breach of this agreement and could result in, among other things, disciplinary sanctions, legal action or both. The foregoing release is intended to be construed in the most liberal and broad sense possible in favor of the beneficiaries of this release.

J) TOURNAMENTS AND WORK AT TOURNAMENTS

A participant whose Player has been placed upon an official CSAHA Team Roster understands and agrees to the following:

CSAHA plans to host 3 major tournaments during the 2025-2026 season, the Colorado Cup, Pikes Peak Recreational and Presidents' Day Tournament. Tournaments are major fundraisers for CSAHA and if the Participant's team is in one or more of the tournaments, Participants agree to work shifts during those respective tournaments. Participants for each player on a CSAHA team that participates in any Tournament, understand that working shifts is in lieu of the team paying a registration fee. If for some reason, the Participants team does not participate due to reasons beyond the control of the Tournament or CSAHA, the Participants team may still be considered a "Participant" of the Tournament. Shifts will be assigned to Participants for every player that is on a team participating in any tournament. Those work shifts will include, but may not be limited to, acting as a scorekeeper, timekeeper, penalty box attendant, merchandise salesperson, concession salesperson, and/or rink manager. The actual number of hours for each shift will be determined after the Tournament applications are received and accepted. Further, Participants agree to pay a \$50.00 fee to CSAHA for each shift that they were required to work if they fail to sign up for their shifts or fail to show up for assigned shifts. The Player will not be allowed to participate in any practices or games until all such fees are paid. If Participants are going to miss the tournament for any reason, it is the Participants responsibility to have their shifts covered by other team families or workers. Each tournament director may have a list of volunteers who will be willing to get paid to work a Participant's shifts. Each tournament director will let the team managers know the process they will follow for assigning workers. In addition, if the Participants do not pay the shift fees, their Player's name will be added to the delinquent list which can result in limitations of future participation in CSAHA and other hockey programs.

1. Colorado Cup: The Colorado Cup tournament is expected to run over the New Year's Day weekend.

2. Pikes Peak Recreational Tournament: The Pikes Peak Rec tournament is held over the Martin Luther King Jr. holiday in January.
3. Presidents Day Tournament: The Presidents Day Tournament will run during the Presidents Day holiday in February.

Non CSAHA Tournaments

CSAHA Teams may elect to and at the option of the coaches and the CSAHA Executive Director participate in out-of-town tournaments. Participants are responsible for their share of tournament fees and the coaches per diem as stated in each program description whether they attend such tournaments or not. Participants understand and agree that all monies associated with tournaments are part of the fees and charges of CSAHA and that they are due just like all the other hockey season fees and charges.
