

## Colorado Springs Amateur Hockey 2026 Tigers/Miners Spring Teams

---

CSAHA is happy to announce our second year of Miners Spring Team programming offered to 10U, 12U, and 14U players!!

- Our Miners Spring Teams will compete in two tournaments, receive 10-12 on-ice practices and additional off-ice dryland/training and concepts review specific to each ages group.
- Players aged from birth years 2012 through 2016 are eligible for registration. Registration fees are fully refunded if player does not get placed on a team or if there is not enough interest to field a team.
- Our schedule is designed to ensure that joining the Spring Team won't conflict with our Tiger Spring and Summer Training program, so players can participate in both if they choose.
- If there's enough interest, we may form multiple teams for each age group, organized by playing ability and birth year. The tournaments we enter are competitive, typically featuring teams composed of A & AA level players.
