

2026 High Altitude Hockey High School Summer League

Welcome to the 2026 High Altitude Hockey High School Summer League!

This league is a great opportunity for players to have fun playing high paced hockey in a safe and supervised environment while continuing to develop individual skills, hockey sense and creativity.

High Altitude Hockey is a recreational and developmental league designed for high school players. The age range for eligible players is from going into the 9th grade through beginning the 12th grade. Players **MUST** be within these ages. Players who have graduated or will graduate high school in 2026 are **NOT** eligible for the HAH league.

This league is NOT intended for AAA players as High Altitude Hockey is designed for recreational and developmental players.
