Ending Balance 05/18/2025: \$192,385.94

Motion to approve the Treasure's reports made by Keith Rothstein 2nd by Jake Kaufman board voted and motion carried.

Discussion of Coach Pitch and T-Ball practices and games

Parents can work with their kids at home on skills but as an association we have decided that practices will run T-ball 30min practice and 30min game

Coach Pitch 45min practice 45min game  
Coach Pitch should be pitching from their knee.

Reminders will be sent to coaches at all levels that our youth are here to have fun and we need to continue to develop them and encourage them.

Foul lines on fields

They start out painted in May and then by June and July they disappear. Will check into what we need to do in order to maintain these lines throughout the summer.

Volunteer Hours:

June 21-22 – 14A and AA softball Complex

Board Positions:

Self Reflection to board members and as positions age out what positions are necessary? Board Members are asked to think about what they are doing in their current role that is a necessity and what are things that are being done that aren't written down and being thought of. What do we need to make sure is taken over. These items should be reported back to the President so that we make sure things are being accounted for.

New Fields:

Darren and Joel toured new fields and looked into new mounds. Progress is coming along great. Fencing will be going in soon. Field 2 has drain tile in and hoping for all 4 fields to be completed with drain tile by end of this week.

Infield dirt will all have their own sprinkler system, great addition and option to have on these fields.

Still need to get sponsorships and continue to look for fundraising opportunities to fund these fields.

Jake Kaufman made a motion to adjourn the meeting and was 2<sup>nd</sup> by Brittany Bueckers  
Meeting Adjourned at 8:30pm
