

# 15U Registration Option for High School Tryouts

July 2025

---

## PURPOSE

Effective for the 2025-2026 WYHA season, WYHA is introducing a new 15U registration option specifically for players who are trying out for their high school teams. This flexible option allows families to avoid duplicate registration fees and helps WYHA track potential 15U players more accurately during the tryout season. **This process is designed to:**

- Eliminate unnecessary fees for families
- Help WYHA accurately prepare for the season
- Support players through the high school tryout window

## REGISTRATION OPTIONS FOR 15U PLAYERS

### SCENARIO 1: Player is *NOT* trying out for a high school team

- **Register as:** 15U Player (standard registration)
- **Action:** Complete the full 15U registration in Crossbar
- **Result:** Your player will be rostered as a WYHA 15U participant, just as in previous seasons.

### SCENARIO 2: Player *IS* trying out for a high school team

- **Register as:** 15U High School Tryout
- **Fee:** \$50
- **Purpose:**
  - Participate in WYHA pre-skates
  - Provide WYHA visibility into potential 15U players
- **Scenario 2 - Player Makes High School Team**
  - No further action is needed
  - Your player will not be rostered with WYHA
  - The \$50 tryout fee is **non-refundable**
- **Scenario 2 - Player Does NOT Make the High School Team AND wishes to play with WYHA**
  - No need to register again
  - You'll be billed for the remaining 15U registration balance via Crossbar
  - A member of the **WYHA Travel Team or Registrar** will contact you to confirm your plans before finalizing placement

- *Please note:* Registering for the 15U HS Tryout does not automatically place your player on a 15U team. Communication from our team will help ensure proper roster placement based on your plans.

### **Clinics for 15U Girls**

To help 15U Girls stay on the ice and sharpen their skills before the season begins, WYHA will offer optional 15U Girls Clinics each fall.

- Separate registration required
- Full details will be sent via email

*Please note: These clinics are entirely separate from both the 15U WYHA Registration and the 15U High School Tryout option.*
