A Leader, A Teammate, A Son to Be Proud Of

Preston, the 4th of 6 kids, is known for his kind heart and lifelong love of sports. Baseball was his first passion, with some hockey and lacrosse along the way before beginning his football journey. Through ups and downs, and with determination, he discovered his true home on the offensive line. We are so proud of the growth, grit, and dedication he has shown—especially last season battling through injury and setting goals this offseason to bring his best into 2025. BC Football and Preston are truly good for each other! Off the field, he is a steady help to his family and always keeps them at the center of all he does. We're proud of the young man he's become and excited for his future!

With love, Mom, Dad & Family
