FIRST WEEK OF SCHOOL AT THE SPORT STABLE

- Aug 20-22 is at the Sport Stable, full days, training gear required this week. Students will do sports activities, ice-breaker activities, and start to work on their assignments. Teachers will set expectations, show students how to use Schoology to access assignments, grades and submit their work. (STUDENTS NEED THEIR LAPTOP!) We will go over policies, and sports training expectations/goals.
- **Supplies for Stable Classroom:** We are asking all students to bring to a box of tissue, 3 rolls of paper towels and disinfectant wipes.

STUDENT ATHLETE / PARENT CONTRACTS

PLEASE TAKE TIME TO READ, REVIEW AND SIGN THE STUDENT ATHLETE / PARENT CONTRACTS TOGETHER

We will remind students, on day one, of the expectations. We will hold them accountable throughout the school year. Our students have an incredible privilege to attend a sports academy and train in their sport. We want to prepare them for the high level of standards expected of college and professional athletes. If there are any questions. please contact Jordan Smith and Steve Quailer.

Note from the Director: I am thrilled to step into the role of Academic Director here at Summit Academy Sports. This is a very unique program that I wish was available to me as an athlete growing up. I can't wait to get to know all of you and be part of your journey- both in the classroom and in your athletics. My goal is to help every student grow not just as an athlete, but as a learner and a leader.

Let's make this a great year together! - Jordan Smith
