Points will be awarded according to the following point system: 2 points for a win, 1 point for a tie, and 0 points for a loss. The top two teams in each age division advance to the Championship Game. If more than 4 teams in any one age division are

accepted into the tournament, there will be the possibility of crossover games from each of the two pools to determine which teams play in the championship. Depending on pool sizes, there is the possibility of additional games.

9 - Home teams shall wear light (white) jerseys and away teams shall wear dark jerseys. The tournament director reserves the right to change color designations, if necessary. Please bring both jerseys to all games.

11 - First games may begin as early as 9:00 AM on Friday, October 31st. Games may be scheduled to begin as late as 10:00 PM for 14Us.

12 - No game will be played under curfew rules – however, if at any time during the 3rd period the goal differential is (4) or more, the game will go to running time. Stop time will only resume when the deficit is reduced to less than (4) goals. When in running time, a penalty will start when play resumes. In the event of injury, a running time clock will be stopped.

13 - Games designated as quarter-final, semi-final or championship will have a run clock if the goal differential is six (6) or more in the third period. The game clock will return to stop time when the goal differential is five (5) or less.

14 - Tournament officials reserve the right to end any game or move any game to running time if the officials and/or referee deem the game has become unsafe.

15 - No time-outs will be allowed in the round-robin games. One time out per team will be allowed in the 'semifinal' and/or 'championship games'.

16 - A tie game after regulation play in the round-robin portion of the tournament will remain a tie. Only games designated as 'semifinal' or 'championship game' will have overtime. A tie game after regulation play in the championship rounds will have a one-minute rest period followed by a 4 on 4 sudden death overtime period of five (5) minutes. If still tied after the 4 on 4 overtime period and after a one-minute rest period:

- In championship games: the 4 on 4 with goalies, sudden-death format will continue for an additional five minutes. The goalies must switch ends. If the game remains tied at the end of the 4 on 4 overtime, a 5-man shootout will ensue. Each team will designate 5 shooters, and the teams will alternate penalty shots on the opposing goalie, home team first. Best of 5 shots wins. If the score remains tied following the first 5 shooters, each team will designate an additional shooter, different from the first 5. Each team will alternate shooters until a winner is determined (all members of each team must be used in the shootout before repeating).

17 - In the event there is a tie in game points when determining seed positions for the semi-final round, the tiebreakers will be applied as follows:

If still tied or more than two teams tied:

- Goal differential: Subtracting goals-against from goals-scored, all games considered, the team with best +/- rating being ranked highest. The maximum goal differential per game is +/-4. For example, a team who wins a game 7-2 will be credited with +4, even though the team's goal differential was +5 and the losing team will have a goal differential of -4. Head-to-head results will not factor back in; all teams will be ranked and seeded based on the tiebreaker.

If still tied:

- The team allowing the fewest goals against.
- The team with the least penalty minutes.

If still tied:

- Coin toss.
