

## Vikings Youth Hockey Coffee Fundraiser – Fall 2025

We are excited to bring back the Vikings Coffee Fundraiser — and this year, we're partnering with a new, locally based coffee vendor: Gigawatt Coffee Roasters.

You may have seen Gigawatt at farmers markets around Chicagoland — they are well-known for their excellent coffee, approachable pricing, and community focus. Best of all, they are a Chicago-based family business, just like our Vikings organization is powered by local families.

### **About Gigawatt Coffee**

“When we started Gigawatt back in 2020 — just weeks before the world shut down — we had dreams of a little coffee shop roastery. As fate would have it, everything shutting down pushed us to change our entire business plan. Farmers markets were the only avenue open to us that summer. We applied to the Evergreen Park Farmers Market and fell in love with selling our coffee at events. The rest is history.” - Eli & Jen

This partnership allows us to raise funds for Vikings Hockey and support a local family-owned business.

### **How the Fundraiser Works**

#### 1. Sell Coffee Bags:

- Each 10oz bag costs \$14.
- *Your profit is \$5 per bag* (our wholesale cost is \$9)

#### 2. Collect Payment:

- You collect cash or checks made out to YOU for each order.
- Once all orders are in, you will write ONE check to “Vikings Youth Hockey” for \$9 per bag sold (your cost).
- You keep the remaining \$5 per bag as your profit — no waiting for reimbursement!

#### 3. Example:

- If you sell 10 bags, you collect \$140 total.
- You write a check for \$90 to Vikings Youth Hockey (10 bags × \$9 each).
- Your profit is \$50 (10 bags × \$5 each).

#### 4. Submit Orders:

- Turn in your order form and check to Vikings by November 3rd.
- Place them in the Fundraising Mailbox at the rink.

#### 5. Coffee Delivery:

- Gigawatt will deliver coffee to us approximately two weeks after the deadline.
- Once coffee arrives, we will divide coffee up by team manager and you will receive an email notification with the pickup date and time.

- You are responsible for delivering coffee to your buyers.
- Tip: Keep a copy of your order form for reference.
