

S&T TOO PIZZA FUNDRAISER

The pizza set up voucher fundraiser with S&T Too Pizza is ready to kick off.

Attached to the email sent out is the order form for you. If you are interested in participating in the pizza fundraiser you will need to print the order form to record your orders and to turn in. There are three toppings for the pizzas available (cheese, sausage, and pepperoni). They come in three choices a 3 pack 12" pizzas, a 10 pack 7" pizzas, and a 3 pack 10" Gluten free pizzas. Each set up comes with 1 lb of mozzarella, 16oz S&T pizza sauce, and if you choose 8oz of pepperoni or 20oz of S&T sausage.

For this fundraiser you are selling pizza set up vouchers for your buyers to redeem at any of the four S&T Too locations. NO pizzas will be delivered. Vouchers will be given to you to pass out to your buyers. Your buyers can then go to the S&T Too location whenever they would like to redeem the vouchers for their pizza set ups. The vouchers do not have an expiration date on them. The S&T locations are in Chicago, IL (Mt. Greenwood), Frankfort, IL, Lockport, IL, and Crown Point, IN.

You are in charge of collecting either cash or check made out to YOU for the pizza vouchers.

Once the deadline comes up (**which is no later than September 24, 2025**), or you have finished selling, you will make out 1 check to VIKINGS YOUTH HOCKEY for the total of the orders minus your profits. This way, your profits go directly to you, without the wait of receiving a check. The pizza vouchers will be delivered to you the next week. Once they are in, you will receive an email with the date and time of pick up and you will be responsible for delivering the vouchers to those who bought from you. Please be sure to make a copy of your order form for your safekeeping.
