 - **Quickbooks Update**
 - W-9 information requested via Quickbooks for all spring coaches receiving a check. Reminders are being sent to those coaches who have yet to complete the online form.
 - Have been working with Quickbooks to resolve an issue with February's reconciliation. We cut a check to Inwood which Chase reversed after it was cashed due to their fraud protection. Adjustments were made after reconciliation to get them their payment after Chase reversed the check, Quickbooks had to re-open that previous reconciliation.
 - **Travel**
 - Spring Coaches & hourly checks have all been issued.
 - Conditioning budget has been completed & information has been posted on the website.
 - The summer skates budget was completed, information was posted on the website.
 - Please remind parents to include the name & purpose of any payments made via Zelle.
 - We are going to keep the same tryout fee as last year; tryout fees will all be part of the larger Fall 2025-2026 budget, so any shortfall or surplus will be

accounted for there. We will need to start pulling together the program format for next fall to start working on the budget.

- **In-House Development**

- A few coaches have been paid, still waiting on W-9 information for the balances of the coaches, payments will be issued once that information is completed.
- The last few months of coaches hours have not been entered in the shared excel file, once that information is available I will cut another round of checks to get current.
- Need to schedule a time with Colleen & Jerry to layout next fall's In-House/Development program to put together a budget for next season.

- **Vice President of Hockey Operations**

John Wirkus

- Pure Hockey store is open for jersey ordering and jersey fitting starts next Monday and will close on 6/29. There is a flyer posted with a link at the check in table for summer skates thanks to Elyse as well as jersey's for players to try on at the rink. I have requested to see orders that have come in so we can check them for accuracy. We have to arrange a meeting to discuss logo distribution and usage still, so we are behind there.
