Future Southern Illinois Ice Hawks Sponsor,

Thank you for your interest in sponsoring the Ice Hawks! Our organization thrives on donations and sponsorships from throughout our community; so involvement from persons and businesses like yourself are integral to our success.

Southern Illinois Ice Hawks (SIIH) is an organized youth hockey program located in the Metro East region of St. Louis. Our organization aims to provide a safe, fun, and inspiring environment for youth, aged 5-18, to learn and develop hockey skills. We pride ourselves on building great athletes and, most importantly, well-rounded kids! Each year, we work to support and encourage all players in a positive manner, expanding opportunities for player development and exposure to high-level coaching throughout age groups and skill levels.

As a 501(c)(3) non-profit and primary volunteer-based program, the success of our program is directly dependent on revenue generated, not only from player fees, but also from community-based involvement, including sponsorships, fundraisers and donations.

Your tax-deductible contribution to our club will have an immediate impact. These dollars directly help lower the cost to players' families, as well as contribute to our "Grow the Game" initiative. This program provides access and opportunities for youth in our area to play the awesome game of hockey, including our "Learn to Play" programs, "Try Hockey for Free" skates, and expanded training opportunities for higher-skilled players. Your donation also enables the club to purchase training equipment (including pucks, nets, and pads) and extra player protective equipment, to benefit all teams.

Because of generous donors like you, this season marks a new chapter in SIIH history with the opening of the "Hawks Nest". Located in Lebanon, IL, the Hawks Nest is a new off-ice home to the Ice Hawks, featuring synthetic ice surfaces, multiple shooting lanes, strength and conditioning equipment, permanent storage, film room and office space. This facility will be open to every team in the club for "dry land" sessions each week, and is a huge step in moving forward for our club. Your sponsorship will help keep the momentum moving while maintaining an affordable price for all players' families.

We cannot stress enough how our kids, and the program as a whole, depend on your generosity. Thank you for considering an investment in the future of our hockey players. We absolutely cannot do this without partners like you, and truly appreciate your support!

Thank you for joining our Ice Hawks family!

SOUTHERN ILLINOIS ICE HAWKS SPONSORSHIP FORM 2023-2024

Thank you for your consideration and generosity!

Please complete and return this form and mail it with your donation/sponsorship check to the address below or provide it directly to Angie Harshbarger (designated SIIH Board Member).
