TYH LOCKER ROOM POLICY

LOCKER ROOMS POLICY

In addition to the development of our hockey players and enjoyment of the sport of hockey, the safety and protection of our participants is central to TYH's goals. TYH adheres to USA Hockey's SafeSport Program as a means to help protect its participants from physical abuse, sexual abuse and other types of misconduct, including emotional abuse, bullying, threats, harassment and hazing. To help prevent abuse or misconduct from occurring in our locker rooms, TYH has adopted the following locker room policy. This policy is designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms. At Pierce Park Pavilion there are a limited number of locker rooms available for our program's use. Some teams in our program may also occasionally or regularly travel to play games at other arenas, and those locker rooms, rest rooms and shower facilities will vary from location to location. TYH team organizers will attempt to provide information on the locker room facilities in advance of games away from our home arena. At arenas for which you are unfamiliar, parents should plan to have extra time and some flexibility in making arrangements for their child to dress, undress and shower if desired.

Parents in Locker Rooms

Except for players at the younger age groups, Learn to Skate and Mites, parents are discouraged from entering locker rooms unless necessary. If a player requires assistance with their uniform or gear, if the player is or may be injured, or a player's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the player. We encourage parents to teach their players as young as possible how to get dressed so that players will learn as early as possible how to get dressed independently. In circumstances where parents are permitted in the locker room, coaches are permitted to ask that the parents leave for a short time before the game and for a short time after the game so that the coaches may address the players. As players get older, the coach may in his or her discretion prohibit parents from a locker room.

Mixed Gender Teams

Some of our teams consist of both male and female players. It is important that the privacy rights of all our players are given consideration and appropriate arrangements made. TYH has a minimum attire policy if sharing one locker room. All players are required to arrive at the rink wearing their hockey base layers or shorts and t-shirts (in good condition - no holes or tears in clothing) under their street clothes. All members of the team must have this minimum attire before entering a co-ed locker room so that no player of one gender has the opportunity to see players of the opposite gender in a state of dress/undress.

Cell Phones and Other Mobile Recording Devices

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras, are not permitted to be used in the locker rooms. If phones or other mobile devices must be used, they should be taken outside of the locker room. Team personnel may collect phones.

Prohibited Conduct and Reporting

Thunderbird Youth Hockey prohibits all types of physical abuse, sexual abuse, emotional abuse, bullying, threats, harassment and hazing, all as described in the USA Hockey SafeSport Handbook. Participants, employees or volunteers in TYH may be subject to disciplinary action for violation of these locker room policies or for engaging in any misconduct or abuse or that violates the USA Hockey SafeSport Policies. Reports of any actual or suspected SafeSport violations, you may email USA Hockey at SafeSport@usahockey.org or may call 1-800-888-4656.
