

Mid-Season Hockey Camp

Give the BEST gift of the year, with a Holiday session for your son or daughter!

Please join us for a session or both, and experience the DK Hockey USA difference.

A great way to consolidate what your son or daughter has learned so far, coupled with new skill development heading into the back half of the season.

Both camps REFINE the **critical** aspect of skating skills - forward and backward - along with development of puck handling and shooting. Moreso, proper execution.

The 2-hour session provides a deeper dive into developing skating, puck handling and shooting skills, additionally winning 1-on-1 battles and finishing with Small Area Games (separated by age).

Bring a teammate / friend to experience a greater experience . . .

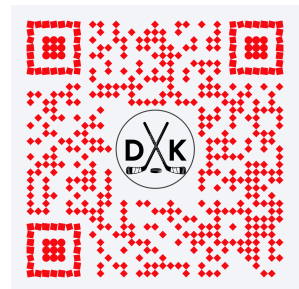

The synergistic effects of DEVELOPMENT learned together!
