^{*} all single letters (b, f, o, t, x, u) represent a tournament. To you there is no difference. Y is the only exception. It refers to season length, not a tourney

- * "sub" means this is a weekend you may want to keep open to play on another team or if your team fills in for a dropped team
- * "add" in an event that with approval could be a parent-driven add-on. As a rough rule of thumb see below for add on costs
- "add" is an optional add-on Dec ~ \$25/player, other single days ~\$35/player, 2-day events ~ \$110/player, Qualifiiers ~ \$200/player
- * "rep" & "or" are usually for other tourneys that can replace one of your current tourneys. Rep is usually a parent driven option and "or" is club driven
- * "NTC" "no" "con" "see" & "can" are NOT tourneys for that particular team
- * zero" denotes zero practices for that week
- * "pos" is a possible tournament that could be added;
