

2025 Greenery Ordering Process

We are excited to offer our annual greenery fundraiser again this year! Just like last year, you will enter your orders online in your participant portal for both group delivery items and direct delivery gift items.

In addition to logging your in-person orders online, you now may now share our new group sales website with your supporters to collect orders (online ordering available after Oct. 1)

<https://sherwoodfundraiser.com/siouxland>

Share the link with friends and family and your orders will be collected in your participant account. Make sure to contact your supporters to arrange payment for the items they ordered. Collect money via check, venmo, square, zelle etc. If you would like to create your own participant website, you may do so in your participant portal.

To access your participant account visit:

<https://sherwoodfundraiser.com/siouxland>

Once there, click on the red “Participant Login” button in the upper right hand side of the website to access your account that was registered last year. If you forgot your password information, you will be able to retrieve this information at this time.

NEW USERS--

If you have not previously registered and created a Sherwood Forest Farms participant account, from our group site, click on “Participant Login” and scroll down to “New Participant registration” to create an account.

As you are collecting orders the Greens Chairpersons will be able to view your orders as you are entering them. If you have any questions regarding orders please contact Nichole Bunce 712-389-0795 or Sara Gill 712-251-0861 directly.

DO NOT CONTACT SHERWOOD DIRECTLY
