

Play Up Policy

The Evansville Youth Hockey Association (EYHA) follows all USA Hockey and Mid AM district play up policy rules. The EYHA Play Up Policy includes:

- All players attempting to play up **MUST** complete the EYHA Play Up Request and Waiver form before trying out. A copy the Play Up Request and Waiver form is below.
- The decision to take a “play up” player (as long as the player meets all requirements from USA Hockey, Mid AM and the EYHA) is up to the coach of the team.
 - If there is a conflict of interest between the coach and the player (for example, the coach is related to the player) then an independent evaluator should be used to ensure the player is able to meet the skill, physical ability and maturity required to play up.
