8U EVALUATION SCHEDULE

Evaluations are an exciting way to kick off the season and give players a chance to showcase their skills and hard work. To ensure a fair and objective process, we've invited independent evaluators to assist. Every girl will be placed on a team, and we're confident this approach helps set them up for the best experience possible this season.

Below is the schedule for when your daughter should attend evaluations, based on their current grade. Players should attend both days with their assigned evaluation group.

Note: Pre-K and first year Kindergarten skaters do not need to attend evaluations - they will automatically be placed on our Girls 1 team.
