# MISSION STATEMENT & VALUES

## CCHA MISSION

The mission of the CCHA is to promote and maintain an amateur youth hockey association that delivers a positive, safe, fun and competitive youth hockey experience for all youth that reside in the Eastern Carver County School District 112 (“District 112”) boundaries. In that endeavor, the CCHA is dedicated to the development in all of its athletes the highest levels of sportsmanship and level of play that their physical and mental abilities, hard work and dedication can help them achieve. And without the dedication of its members who volunteer their time and abilities, none of the foregoing is attainable. So let us all remember that the volunteers are donating their time and doing their best to reach these goals, and it is only together that we can hope to get there.

## CCHA VALUES

The following values are adopted from USA Hockey as our guiding principles in the conduct of the CCHA:

1. **Sportsmanship:** Players need to be humble in victory and gracious in defeat. Competitive fair play is a value to learn and practice beyond the strict interpretation of the rules.
2. **Respect and Integrity:** Treat all other members of this and any other hockey association, including players, coaches and officials, as you expect to be treated, no matter the circumstances. Integrity is what you choose to do when no one is watching.
3. **Pursuing Excellence in Self, Team and the CCHA:** Each member of the association, including players, parents, coaches, and volunteers, should seek to perform at the highest level of one’s ability at all times, which often can mean putting the interests of others before your own.
4. **Teamwork:** Learning to work with and support others in a group is the hallmark of teamwork. The use of teamwork is reinforced and rewarded on the ice and throughout one’s life.
5. **Enjoyment:** It is critical that the hockey experience be fun, satisfying and rewarding for all those involved in the CCHA, whether it be on or off the ice.

Upper Levels (Squirts, PeeWees, Bantams, Jr. Gold, Girls 10U, 12U and 15U)

- Reversible Practice Jerseys for the skaters and one color for Goalies

# Jerseys and Socks

- Order Process and Expectations
  - The CCHA took a hybrid approach in order to get as many jerseys into production prior to September, so that we can avoid the backlog at the manufacturing facilities.
  - Asking at registration for top 3 jersey choices for the boys side and on the girls side, using the crossbar registration to block off already taken numbers.
  - Based on the numbers in the association, it requires a quicker process to get jerseys and socks in to production
    - 370 - between the boys upper Levels
    - 115 - between the girls upper Levels
    - 292 - between the boys and girls lower levels
  - Round 1 of Jerseys Orders for Upper Levels has take Place
    - Criteria - (1) Lone Soldier #, then (2) Date of Registration
      - Using top 3 jersey number choice
      - Upper girls: registration jersey number and/or subsequent top 3 jersey number choice
  - Round 2 of Jerseys Orders for Upper Levels will take place 24-hours after team placements for each Level
    - Re-sort of those that did not get ordered in Round 1
      - Criteria - (1) Date of Registration
        - Using top 3 jersey number choices avoiding already taken numbers on that teams roster
        - IF a jersey number choice is not able to be satisfied at this time, then players/parents will be reached out to by your commissioner to ask for an alternate number.

# Jerseys and Socks

- Order Process and Expectations
    - Practice Jerseys and Game Socks (Handout)
      - As soon as we have firm dates on product arrival from manufacturing we will set-up player pick-up dates at Victoria Rec. Center
        - Game Socks for Upper Levels are in production
        - Round 1 of Game Jerseys for Upper Levels are in production
        - Practice Jerseys for Upper Levels are in production
    - Upper Level Game Jerseys will be handed out in October for those that have arrived
      - NOTE: there will be some players that will be coming in later than others, it's all based on the production schedule and number availability from Round 1 to Round 2
    - Lower Level Team Uniforms is pending production (first week of November is what we are targeting to hand out)
    - NOTE: Tryout Pinnies must be handed in after tryouts, if a pinnie is not confirmed handed in, the Game Jerseys, Socks, Practice Jersey or at the Lower Levels Team Uniform will not be handed out until the pinnie is returned or paid for.
- ★ Reminder, 95%+ of the board, and volunteers are just that VOLUNTEERS and don't get paid. Without the volunteers, things don't run or get done. These volunteers spend time away from their families, jobs, etc. to ensure that all 777 players registered have a first class and fun experience.
- ★ Please be respectful of the volunteers and remember, it's a jersey and a number on a jersey.
