

### **Some notes on how things work at Chaska:**

- Someone will have to go to the CCC front desk and ask for the facilities worker to open the stand.
- The Square passcode is 2024
- With the register on the “checkout” screen.
- Just hit “change” in the lower right corner two times to open the drawer.
- You’ll unlock the register drawer and count the cash-should equal \$200(if not, make a note of how much is there to note again at closing).
- If you need to make change throughout your shift, the key inside the register drawer will open the change lock box(located at the end of the counter near the pop cooler). Please make sure to put in a \$20 bill if you take out 20 \$1 bills to keep the register/safe balanced.

### **Turn on:**

- Lights in pop cooler, Top right side
- TV, Click the USB app
- Press pizza oven button 3 times to preheat to 350 (in back room)
- Turn on hot dog roller & set front rollers to 10(you won’t need back rollers)
- Open warmer drawer under rollers (should have a bit of distilled water in the bottom-add if needed), turn knob to 130 degrees
- Make coffee
- Popcorn maker light
- Small fridge light
- Pretzel warmer light

### **Food prep:**

PLASTIC GLOVES ARE LOCATED BETWEEN HOT DOG/POPCORN MACHINES AND ABOVE PIZZA OVEN

- Hotdogs
  - Located in a plastic container in the fridge It is located under the hotdog maker
  - Put 6-8 hot dogs on warm rollers. They cook for 15 minutes or so, go in a bun, in a foil pouch and in the warmer.
  - Buns are in the cupboard under the rollers & in the freezer if you need more..
- Popcorn(one pouch of popcorn makes about 6 boxes of popcorn)
  - Turn on all 3 green switches.
  - Cut the top off of the whole popcorn pouch and dump all contents into the kettle, close the kettle, and let cook.
  - When popping slows down, dump the kettle and turn off heat & rotator switches.
- Pretzels
  - Located in the freezer in the back storage room
  - Take out 1 pack to start.
  - Spray each one, dip 2 in salt & leave 2 plain.
  - They go directly on the pizza oven rack & cook @350 for 6 minutes
  - Once cooked, place each pretzel in a paper boat and put in the humid warmer.

- Nacho cheese machine stays on/plugged in all the time.
- If you need to change the cheese bag there is a yellow/orange tool to pop the cap off of the new bag in the miscellaneous tote under the nacho machine.
- Slushies
  - Squit 2-3 pumps of flavoring
  - Pull black knob to fill the cup with the slushie mix.

### **Register:**

- Ringing up items:
  - If you are in checkout, you can just type in the product you are selling and all like products will appear. Example: “pop” would bring up popcorn and baby bottle pops
  - Select what you are selling and it will appear on the right side of the screen.
  - Go back to the search bar, hit x, and enter the next item.
  - Once all items are on the right side, select checkout.
- Deleting Items:
  - If you need to delete an item from the right side, touch it and swipe left.
- Paying:
  - If paying with a credit card(\$5 minimum purchase), they insert their card now.
  - If paying cash, you can select the denomination of \$ they give you. The machine will calculate change for you.

### **Closing the register:**

- Go to the **More** button at the bottom of the screen
- Select reports & hit the upload arrow in the upper right corner, print report.
- Count all cash in the drawer.
- Leave \$200 in small bills/change for the next shift and lock the drawer.
- Count remaining cash, compare with cash total on report & make notes if necessary.
- Put all cash and report in a manilla envelope (located in white cart under counter).
- Write date, total deposit and your name on the envelope.
- The envelope goes in the tiny safe located where pop storage is under the silver shelving.
