

GIRLS LAX MULTI-REGIONAL JAMBOREE

Join players, officials and programs from all over Washington, Idaho and Montana in a whole weekend girls' lacrosse event where you can choose your own level of participation.

WHY?

In our non-traditional areas, we realize that we are all dealing with some degree of the same pain points. We are short on officials, officials feel under prepared/overworked, teams play the same teams over and over again, and we are all looking for some level of variety and new exposure. This is our attempt to start a collaboration of areas to grow the game together... and opportunity to share resources and have FUN along the way. Spokane's location is a central meeting spot for a multiple regions to converge.

For Interested/New/Seasoned OFFICIALS (FREE!)

The weekend will kick off with a classroom session to allow people interested in learning to officiate a chance to get their toes wet (parents, junior officials) and for officials to have a chance to come together to ask questions and learn. This does NOT certify or provide CE credits, but a great opportunity to feel exposed to material before starting USA Lacrosse's Officials' Training. Great for coaches and parents wanting to learn more as well. Opportunities to shadow with certified officials during Saturday's games.
