

# Calling All Coaches

**Washington Women's Lacrosse Official's Association** would like to invite all WSLA coaches to join us for a new official's training clinic. WWLOA and WSLA strive to foster a positive relationship between our officials and coaches and we believe that WSLA coaches learning the rules the way the officials are taught will help achieve this.

Join us for a day of education about the rules of women's lacrosse!  
We promise you will learn a lot you can use in your coaching as well!

There are 5 new officials clinics this year and we would love to have coaches join us!

Please use [THIS LINK](#) to sign up
