Photo/Video Guidelines

- All content must be appropriate and league-relevant.
- Submit only media with parental/photo use approval.
- Do not tag individual minors unless approved.

What We Won't Share - WSLA reserves the right to share/repost/collab on what is deemed appropriate.

- Program/Team-specific awards/stats focused only on an individual.

We're here to celebrate **all teams and athletes** in our league—not just the wins, but the effort, teamwork, and community. Let's keep our social media fun, fair, and focused on what youth sports are all about.
