

TBA TBall Division Rules

The purpose of this division is to introduce our kids to the game. Our focus should be on fun and making new friends. We are a development program, and we need to keep that in the forefront.

The focus of each practice should be:

Throwing in a straight line.

Staying in front of the ball, not necessarily catching the ball, but not being afraid of it.

Able to swing the bat without spinning.

Having FUN!!!!

Game Rules

1. Whole team plays in the field.
2. Whole team bats every inning.
3. Everyone runs the bases, Last batter treats it as a "Home Run"
3. Kids switch positions every inning.
4. Bat through the lineup 2 or 3 times depending on kids' energy. About an hour or so.

Your games will be played every Tues and Thurs starting at 6pm after July 4th

Every Team will get 1 "Night Game" under the lights at Teifer Park at the end of the year.

Players will receive a medal after the game. Parents are encouraged to come onto the field and take pictures after the game.

We encourage having as many scrimmages as possible instead of practices.
