JR KOMETS MOVE TO CROSS ICE

HOCKEY PLAYERS
DON'T WAIT FOR
THINGS TO HAPPEN.
THEY MAKE THINGS
HAPPEN.
-UNKNOWN

The Kenosha Komets primary goal is to ensure our players are provided with the best coaching and opportunities to grow into stronger players. Cross-ice hockey is not just a fun way to play—it's the best way for young players to develop the skills they need to succeed at higher levels. With more puck touches, faster decision-making, better player engagement, and a stronger focus on individual skills, cross-ice hockey gives our players the tools they need to thrive in the future while keeping them excited and involved in the game.

We are very excited to make the move to cross ice for our 6U and 8U players beginning this spring.

For more information on the benefits of cross ice hockey, please check out more detailed information from USA Hockey:
