

## Play Up Policy

Subject only to the exceptions below, all requests for a player to “play up” in the next age classification must be submitted in writing and approved by the board of directors. The board is granted full discretion in granting or denying such requests. Consideration will be given as to how the requested play up would impact the two teams involved, with primary consideration given to the number of registered players. No player seeking to “play up” may displace someone playing at their appropriate age level.

### Exceptions:

1. The player seeking to “play up” is selected to play on the “A” or Varsity team and they are ranked in the top third of all “A” or Varsity team player’s skill level. All freshmen are entitled to try out for the Varsity team / girls high school team pursuant to this exception.
2. The player is a goaltender and the team is in need of a goaltender.
