

RRYHA Pond Rats runs from **October 1st 2025 until February 28th 2026**. We encourage all of our players to get as much time on the ice as possible. This means lakes, outdoor rinks, open practices, or even your own backyard.

Log on the tracking sheets every hour the player skates **outside of their scheduled practices and games/scrimmages**. Work on stick handling, skating skills, or pick-up games with friends and family to continue to sharpen their hockey skills. Players will earn a spot on the Pond Rat Hall of Fame wall and a reward while doing what they love, playing hockey. Any player with 50 hours or more will earn a spot on the Hall of Fame wall. All players with 65 hours or more will be entered into a drawing for a Grand Prize. Log hours starting October 1, 2025 until February 28, 2026. Turn in the tracking sheets and this cover sheet with total hours to Jen Krause at **rryha.krause@gmail.com**

Happy Skating!!
